

Controlled Medication Agreement

I understand that :

- All controlled medications have been associated with addiction and abuse.
- All controlled medications may cause medical problems including endocrine function suppression, low hormone levels, mood, sexual desire, stamina and sexual performance.
- If I become pregnant or believe I am pregnant while taking controlled medications, the fetus may be dependent on them. I will immediately notify INFINITY FAMILY CARE of pregnancy and will need clearance from my OBGYN to continue receiving controlled medications from INFINITY FAMILY CARE.
- All controlled medications in high doses may cause increased levels of pain (opioid induced hyperalgesia) where simple touch may cause pain. This pain can affect the entire body.
- All controlled medications may cause withdrawal symptoms if markedly decreased, stopped or reversed. These symptoms may be runny nose, yawning, goose bumps, abdominal pain or cramping, body aches, irritability and a flu like feeling.
- I must only receive controlled medications from INFINITY FAMILY CARE unless disclosed to my individual provider. I MUST inform my provider of ALL medications I am taking even over the counter medications. Failure to do this may cause interactions or overdoses.
- **It is unlawful to be prescribed the same controlled medications by more than one provider at the same time without each provider's knowledge.**
- **It is unlawful to attempt to obtain or obtain a prescription for controlled medications by knowingly withholding facts from a provider.**
- I shall not sell, share, or let others have access to any controlled medications that I have been prescribed by INFINITY FAMILY CARE.
- Early refills will NOT be given.
- **URINE DRUG SCREENS WILL BE REQUIRED and will be conducted on a random basis up to 4 times per year. These will be billed to insurance and remaining balances will be patient responsibility.**
- KASPER reports are required by law and will be part of my medical record.
- I will not use ANY illegal drugs including marijuana, cocaine, methamphetamine, crack, etc.
- Prescriptions/Medications will NOT be replaced if stolen, get wet, destroyed, left on airplane, dropped down sink, etc.
- In the event I am arrested or incarcerated related to legal or illegal drugs, I will no longer be able to obtain controlled medications from INFINITY FAMILY CARE.

I understand and accept all of the above terms. Violating any of these terms will result in providers of Infinity Family Care no longer prescribing controlled medications to me. A copy of this document has been provided to me.
